OUR APPROACH

We love capturing all the beautiful and magical moments of couples in love on their wedding day. And we like to have fun in the process.

When you are choosing your wedding team, it's really important that you connect with them, because they're with you for the whole day.

We want you to be comfortable and essentially have fun. We like to get to know our couples before the big day, so that when it comes to your wedding it will feel like we are friends with professional cameras, taking amazing photographs.

It is important that you trust our creative vision and allow enough time in your day for us to find a calm moment with you.

We will retell the story of your day romantically, emotively and above all – truthfully. We want the collection we deliver to remind you how it *felt* to be at your wedding.

If you connect with what we do, please get in touch. We can't wait to hear all about the day you're planning.

about

THE BRIDGERS

Hello, we are Carly and Dan Bridger.

We met at the BBC twelve years ago and have been inseparable ever since. Between us, we have been photographing and filming for over 20 years and we absolutely love what we do.

We have two children Bertie and Martha.

When we aren't capturing weddings, we are with them hiking the hills, sinking in soft play and by nightfall making homemade margaritas.

A bride in a white lace wedding dress is captured in a joyful moment, spinning in a rustic barn setting. She is wearing a long-sleeved, off-the-shoulder lace gown with a full, flowing skirt. Her hair is styled in an updo, and she has a radiant smile. The background features a brick wall, a white barn door, and a thatched roof with palm fronds hanging down. The floor is made of light-colored wood. The overall atmosphere is warm and celebratory.

"We are in tears of pure joy here! You have captured our day in such an incredible way. We're so pleased we had you at our wedding- from the bottom of our hearts thank you so much!"

COUPLES SESSION

The perfect opportunity to relax and enjoy time together, whilst getting to know us before your wedding. It could be to celebrate an anniversary, or simply to add some art to your walls.

Take us to a place special to you, or let us make some suggestions. We'll take a walk for an hour or so and capture you on the way round.

Our goal is to give you some beautiful, natural photographs that you will cherish forever and perfectly showcase you as a couple.

FINE ART ALBUMS

A photograph just doesn't feel real until it is a physical print you can hold in your hand.

Holding something brings you closer to that captured moment. A page turn is the next chapter of a story.

We believe printing your images creates a physical memory of those special life moments. A tangible connection to those memories that need to be cherished today, and passed on in the future.

10" ALBUM £700

12" ALBUM £800
